Hi i have a table that is generated from an XML and looks like this: `{{list.Id}} {{list.Title}} {{list.City}}` on click event i do this `$scope.changeto = function(list) { console.log(list); }` when i click on the row i get the data returned in console.log. I am trying to change the background color of clicked row but something is not happening. it is returning an array with all the row values, where I want to change the background only on the clicked one. here is what I tried: `function changeto(li){ console.log(li) $(li).css('background-color', '#FF0000'); }` A: You are clicking on an element, try this: `$scope.changeto = function(list) { list.style.backgroundColor = '#FF0000'; }` If you want to assign to td elements that you are looping over, you can do: `d0c515b9f4`

Join Us We are the world's first and only website devoted to fan films!

---

Whether you love movies or movies, we love movies! Hit the join button above to get started and be part of the largest fan film community on the web. If you have any feedback, ideas or anything else that we might be able to help you with, please let us know, thanks for joining the community. What is Fan-Films.net Fan-Films.net is the world's largest source of fan films! From the classic film from the 1980s, "Flash Gordon", to the very newest fan created movie, "Obamanation 2016: Jumping at Twists", we got it! We want to connect you to other viewers, bring you the most current fan films and hopefully inspire you to create your own! We hope you enjoy the fan films we have to offer, and we hope you connect with other fans, and maybe create your own fan film in the process!

5 Simple Rules for Fan Films

1. Have Fun!
2. Fan-Films.net is about having fun, creating great fan films and enjoying other people's fan films. We don't want this site to be a place where people (fans) can destroy each other's work. Just because you think something is bad, that doesn't mean it is.
3. The Production Quality of Fan Films Should Be High.
4. Keep the language clean and PG13. We'll take vulgarity of any kind very seriously.
5. While not explicitly stated, we expect fan films to meet the standards of fiction.

Carlos Eugenio Del Valle Carlos Eugenio Del Valle D'Amato (14 April 1941 – 3 November 2013) was a Dominican politician. He was briefly the secretary of government in the Miraflores dictatorship of Rafael Leónidas Trujillo. Early life Del Valle was born into a wealthy family of Santiago de los Caballeros in the Dominican Republic. He was the son of Domingo "Domingo" Del Valle and Estrella (née D'Amato). The family owned and ran a construction company called "C.D.V.", which also built the Trujillo family homes in Santiago de los Caballeros. The family was politically
